Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.  
*I love to take Saturday afternoon naps with my Meowmy. All she has to do is say "Goodnight Bobbi" and I run into the bedroom, jump on the bed, and lay me head on her chest and purr ourselves to sleep.*

What is the funniest thing that has ever happened to you?

*I am accused of stabbing my older brother after I had been here for less than 1 month. All I did was climb on the counter and knock down a knife that somehow went through his tail and came back out. Vets were amazed. My brother didn't even need stitches though they glued on 1/2 of the tail. The bottom half they just left to heal on its own. Too bad he's isn't with us anymore.*

Please share your adoption story

*I grew up in a hoarding house (40+ cats and a few dogs). Me and my 5 kittens (2 of which have my FABLOUS bobbed tail) were taken to Tallahassee Humane Society. We were there on Meowmy's first day of volunteering. She took me out of the cage for "adult" time and I relaxed, belly up, on her legs. It took mommy almost 1 month to realize she couldn't live without me. 5 years later she wonders why it took her so long to bring me home*

What is your favourite thing to play with?

*Da Bird feather toy*

## Bitty Space Program

---

What kind of food do you like to eat?

*Any thing and everything. That's probably why I'm on yucky diet food*

Do you like going for car rides?

*Meow NO*

What is your favourite cartoon character?

*Garfield since he's fat like me (though is completely the wrong color).*

If you drove a car, what make, model and colour would it be and why?

*Volkswagen Beetle, black of course - I love chasing beetles*

Do you have a theme song? What is it?

*The Beach Boys Barbara Ann. My mommy sings it to me but says Bob Bob Bob Bob Bob Ba Bob*

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

*Barney - he's my older feline brother. He's OK. He likes to sleep with mommy too. Rusty - He is my younger but "big brother". He can be such a bully sometimes. At least I don't get swatted as much now that Barney's here. I love Rusty though. We like to hunt buggies and lizards together.*

What is the name of your human sponsor or sponsors?

*Sue Leitholf*

What type of position are you applying for? What special skills do you think we could use for our program?

*Flight attendant - I am great at comforting and keeping you warm*

What else do we need to know about you?

*The vet and staff all love me and want to take me home.*

Signed:
