Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.
Oh that is easy – I just keep out of her way. I am a Siamese Princess so why would I do tasks?

What is the funniest thing that has ever happened to you?

Funny has never been in my vocabulary. I am very serious all the time!!

Please share your adoption story

I was adopted by being rescued from an awful kitten breeding house. My hooman paid for me and rushed out to the car to get me to a vet. I was only about 6 weeks old

What is your favourite thing to play with?

Nothing now. I just like sleeping, eating and then more sleeping. Except at night I need to tell my mum where I am and look for her several times each night and I am very Vocal

What kind of food do you like to eat?

I have to eat Renal Food but I like chicken, prawns and tuna

Do you like going for car rides?

NO! NO! NO! But I tolerate going to see the Vet

Bitty Space Program

"Where imagination meets ingenuity"

What is your favourite cartoon character?

Mickey Mouse – a girl can dream about catching a huge meal!!

If you drove a car, what make, model and colour would it be and why?

If I drove a car you wouldn't want to be on the road. I have vision impairment., but when I was younger it would have been a convertible Volkswagon probably pink, cos I have always been a Princess!

Do you have a theme song? What is it?

I'm so Pretty but I also love to sing the song of my people!

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

My 2 cat siblings have crossed the Rainbow Bridge in the past 2 years and my Hoomans rescued a black dog who is a little bit too interested in me and likes to clean my butt (Indignant), so I just tolerate her and whap her across the face when needed.

What is the name of your human sponsor or sponsors?

My Hooman mum is Jan Cecchi

What type of position are you applying for? What special skills do you think we could use for our program?

I will be the official alarm clock and wake up everyone for their rostered shifts.. I can also sort out conflict. Great whapper and great communication skills. I could manage the radio! I am very loud and vocal!

What else do we need to know about you?

I am really very sweet and provide great cuddles. I am low maintenance except when I barf. Oh I would need my own ensuite. – as nobody and I mean nobody can see me going to the toilet

Signed: Miss Elle Cecchi
