Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.

I like to run to and block the first stair when Mommy gets up in the morning! It sometimes helps her get down the stairs much faster!

What is the funniest thing that has ever happened to you?

I found a secret hiding spot in the house, and spent several hours there one day. Even Meowmy doesn't know where I was, but I was white when I went in, and charcoal gray when I came out, and covered with fuzz. When Meowmy spotted me - the look on her face was funnier than anything I'd ever seen!

Please share your adoption story

I was a stray. I don't remember much. I know I had somebody once, cause I am box trained, and I am fwendly to people. I was so hungry, and a nice lady brought me home, and put my picsher on FB. Another lady across town said "I want THIS kitty - it has to be! She came and asked if I'd like to live with her, and I said "Meowmy!"

What is your favourite thing to play with?

*Anything that is not a toy. I like to capture and kill Meomy's feet under the blanket with my claws. She wakes up in the middle of the night, screaming "What the flying ****!" Me only 4, and Meowmy says I too young to use her word! Did I mention Meowmy sleeps on a waterbed?*

What kind of food do you like to eat?

I like to pester Meowmy and Dadda to open cans of expensive kitty fud, then turn up my nose, and eat dry fud. (I like it when Meowmy shares her baked chicken wif me!)

Do you like going for car rides?

Hisssssss, Grrrrrrrr, Blood!

What is your favourite cartoon character?

I wuv "Simon's Cat." He is so funny, he makes Me and Meowmy laugh! Meowmy says "He is so....cat!" I like Simon's Cat because he gives me all kinds of ideas!

If you drove a car, what make, model and colour would it be and why?

It would be a hot, red Ferrari, cause it would look gud on me. But no wheels, because I DON'T RIDE IN CARS! Hisssssss.

Do you have a theme song? What is it?

My favrit song is "You Are My Sunshine." Meowmy sings it to me every night when I tuck her in bed, and it makes me sing the song of my people, and get sweepy.

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

I have one brother, a 22 year old Cockatiel whose name is Prince. He's not too bad. I like to sit next to his cage. I look up at him, and he looks back at me, and we see who looks away first!

What is the name of your human sponsor or sponsors?

Lisa M. Zajkowski

What type of position are you applying for? What special skills do you think we could use for our program?

I have very special skill - space walking! I do it every day. I walk around as if I see and hear nothing - just like in space!

What else do we need to know about you?

The Doctor pulled almost all my teeth out, including fangs, but my claws are sharp enough to shred any evil alien I see. I would love to be a part of the crew, with other kitties like me.
