Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.  
*I always help Mama wake up before her noisy alarm bothers her in the morning. I just tap, poke, poke, poke, tap, tap, tap, nudge until she stops snoring and batting her hand at me. Then she wakes up (or I prod some more.. Or sniff her breath) and then she doesn't have to here that pesky alarm go off. You are welcome Mama 😊😊*

What is the funniest thing that has ever happened to you?

*The first time Mama gave me catnip I did an full face dive Al Pacino/Scarface thing and my eyes got huge and glassy and my mouth hung open and I was somewhat unresponsive. Mom started crying because she thought she damaged me. I LOVE catnip.*

Please share your adoption story

*Mama rescued me when I was abandoned near her friends shop. I was very little and scared and she took her time with me and she let me decide when I should let her know she was MY hoomin.*

What is your favourite thing to play with?

*Catnip bananas (Duh), fuzzy yellow tennis balls, squeaky mice on stretchy strings, misc., fuzzy things.... Also, tinsel, rubber bands, gold chains-all not allowed!*

What kind of food do you like to eat?

*Fancy Feast Salmon Pate and Tuna/Salmon Pate. Temptations cookies (as many as I can get ❤️❤️❤️❤️) and sometimes some tuna. I don't really like hoomin food too much so I eat my food and Mom eats hers.*

Do you like going for car rides?

*Not really right now. Mom won't let me drive.*

What is your favourite cartoon character?

*Roadrunner! He is smart and fast and sly and smiley and he makes that dumb Coyote blow himself up. 😊😊😊😊*

If you drove a car, what make, model and colour would it be and why?

*I like the original Batmobile... I have shiny black fur and gorgeous green eyes, so I would be camouflaged in it but still look awesome. Plus, I want a car that goes fast and can turn into a boat or a submarine or a rocket!!*

Do you have a theme song? What is it?

*Mama and I love Pandora because we listen to lots and lots of music all the time and she sings to me but my theme song would be "I'm Too Sexy" by Right Said Fred... because I ALWAYS shake my little tush on the catwalk.*

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

*So, living at the lake is amazing but dumb people think cats can survive by the water and sometimes leave them. So me and Mama host approx. 7 outdoor kitties that visit daily for meals, fresh water, safe places to nap, cozy warm nooks to sleep in, heated outdoor pads and insulated houses in the winter. Some are more brave than others but they all come back at least a few times a week. Some stay on the porch or in their repurposed Little Tykes cottages all the time. They are our the two meals a day regulars. . I was jealous at first but Mama is doing good things for them so I couldn't stay mad.*

*The outdoor kitties are currently not applying to the Space Program as it might take them longer than me to acclimate.*

What is the name of your human sponsor or sponsors?

*Arlene Monroe*

What type of position are you applying for? What special skills do you think we could use for our program?

*I would like to be Director of Festivities, Entertainment and Relaxation. I am very good at all three and am quite persuasive. After a hard day at work, a crew needs someone who can read the room.. You know, choose the proper music, toys, games, chill time, etc.*

What else do we need to know about you?

*I know I would be a great fit with the crew and honestly, I kinda have a crush on Timbits... .but not a creepy, possessive crush. More of an admiration crush. Although he is Reeeeaallyyyy cute too..*

Signed:
