My meowmy found me and my sister calico on facebook, she was really sad because her favorite kitty had crossed the rainbow bridge not long before. She said she didn't think she'd want nother kitty but then she saw my purty face with my unique cream stripe down my nose and said it was love at first site. Nother hoomin in the house said they could not just adopt me they'd have to adopt cali to or I'd be sad. The day they came to pick us up they got in a car wreck and still came ad got us
