| <input type="checkbox"/> Mice | <input checked="" type="checkbox"/> Barfing | <input type="checkbox"/> COOKIES |

Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.
Whenever my Meowy wants to paint her finger nails, I make them extra hairy, so she can always remember me when she's out.

What is the funniest thing that has ever happened to you?

Someone brought a dog into my house. I sniffed him and he peed and ran away. I must be big and scary.

Please share your adoption story

I was born on the street and attacked by a dog. A rescue society picked me up, and put me in a store for adoption. I was taken home by a little girl and her Mom, but the little girl thought I was a toy. She wasn't very nice. One day the Mom's co-worker came over. She scooped me up and took me home. I hid for 2 months. But I slowly learned that she was not going to hurt me. That was 12 years ago.

What is your favourite thing to play with?

Lindt chocolate wrappers. Mom gets the chocolate and I get the wrapper.

What kind of food do you like to eat?

The one in the cupboard. Never the one Meowy gives me. She's hiding the good stuff, I'm sure of it.

Bitty Space Program

"Where imagination meets ingenuity"

Do you like going for car rides?

NO!!! I howl like a siren the whole time.

What is your favourite cartoon character?

The mouse on Meowy's I-pad. I kill him.

If you drove a car, what make, model and colour would it be and why?

Ambulance. So everyone gets out of my way and I can get there faster. I hate the car.

Do you have a theme song? What is it?

Mission Impossible

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

My best friend is Mr. Fish. He disappears sometimes. Meowy says that he goes on holidays. I want to know where he goes because sometimes he comes back a different colour.

What is the name of your human sponsor or sponsors?

Tracy Greenwood

What type of position are you applying for? What special skills do you think we could use for our program?

I'm a pretty laid back guy, but I've been around a long time, so I'm sure I know something useful. I'm really good at guilt trips and revenge. Meowy never knows what I'm going to do when I'm mad that she left for a couple of days.

What else do we need to know about you?

I'm super cute, and always have extra fur to share.

Signed: *Sidney*
