Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.

*I help our Primary Human reduce waste by eating everything I can*

What is the funniest thing that has ever happened to you?

*Nothing. I leave that to my sister Opal. I do like to sucker the Visting Human into giving me extra meals though....*

Please share your adoption story

*We were adopted at 3 months from a farm. As Opal has told you, we are the only survivors. I need to go out to patrol my territory, but so far, so good. No dogs.*

What is your favourite thing to play with?

*My kicker, feather toys, catnip and bubbles. But only with the Visting Human*

What kind of food do you like to eat?

*It's more what kind of food don't I like to eat*

## Bitty Space Program

*"Where imagination meets ingenuity"*

---

Do you like going for car rides?

*No. But I don't create the fuss my sister does either.*

What is your favourite cartoon character?

*I don't watch TV*

If you drove a car, what make, model and colour would it be and why?

*A camper. I don't like when we get put in kitty jail so our Human can go on adventures without us*

Do you have a theme song? What is it?

*Food, Glorious Food*

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

*One sister left, Opal. She is applying*

What is the name of your human sponsor or sponsors?

*Barb Froman*

What type of position are you applying for? What special skills do you think we could use for our program?

*Culinary Inspector*

What else do we need to know about you?

*I make excellent biscuits*
