Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.

*Sleeping, me in bed next to her makes her very happy.*

What is the funniest thing that has ever happened to you?

*I got out in the pouring rain for 15 hrs and came home in the middle of the night, bone dry. Well I thought it was funny, my Meowmie didn't so much, she was so glad to see me.*

Please share your adoption story

*I grew up wild on a farm with my mom and 3 siblings, when I was six months my siblings and I got trapped and brought to a shelter. My siblings got adopted (we were all identical long haired orange tabbies), but I did not because I was absolutely petrified of humans. They called my meowmie (to be) and asked if she still wanted to meet me. She saw me the day after I came in to the rescue (2 months before) when she was picking up a fellow rescue - Diamond. She agreed to foster but loved me from day 1, even though I didn't let her touch me for 4 months. Diamond and I became good buddies and she was very patient with me - I love her so much now - she's my cuddle buddie.*

What is your favourite thing to play with?

*I love the sticks with feathers on the end, ONLY if they have a bell. My meowmie throws it through the air, end over end and it flies down the stairs and I run after it and bring it back. Sometimes I bring it into the bed at night and wag it so the bell rings, so she can throw it again - she doesn't get mad. I don't have one right now.*

What kind of food do you like to eat?

*My meowmie only feeds me wet food - sometimes we have a Mexican stand off and I decide to dislike everything and then I decide to like it again. She buys from Clayton Critters - she says I'm worth it.*

Do you like going for car rides?

*I don't mind, she took me to our pet food store once, I was quite nervous, but she wanted to show me off.*

What is your favourite cartoon character?

*I don't have one... but I'm a fan of lions cause they look like me.*

If you drove a car, what make, model and colour would it be and why?

*Oh I'm so classy - I think I'd drive a rolls Royce. I'm the King of the Jungle you know*

Do you have a theme song? What is it?

*I'm nervous with music and I especially run when I hear whistling - my meowmie thinks I may be hard of hearing, and yet, I do like the vacuum cleaner sound. I hope this doesn't disqualify me from the Bitty Space program.*

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

*My step brother is Diamond, he's an orange Tabby like me, he looks like the twin brother of Chloe actually. Not floofy like I am. He's quite jealous of me but my Meowmie loves us both the same. He might apply - he likes to know everything and go everywhere - sort of a bully actually.*

What is the name of your human sponsor or sponsors?

*Carla*

What type of position are you applying for? What special skills do you think we could use for our program?

*I am very good at fetching, as long as there is a stick/feather/bell combination - I'm laser focused!*

What else do we need to know about you?

*I absolutely love a good brushing - which is good, because I've got the serious floof!*

Signed:
