Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.

As a perfect, smart, handsome Eddie P, I continually have to show my meowmies the right way to make the bed. I love them, but...gee how many time do I have to jump in to help?!

What is the funniest thing that has ever happened to you?

I tooked my very own selfie!

Please share your adoption story

My mom and me and my four siblings were all homeless 😞. We were only three days old! Well meowmies heard about us and agreed to "foster" us! So, we all traveled to their house where we were loved, fed, cuddled and raised. Something happened tho.... Meowmies said they were FAILED Fosters....I think that means they kept us all! Even our Mom! Mom became Lucy, I am Eddie P and the rest are Lily, Phoebe, Peter and Bobby! I am a very spoiled luck boy! 🍀

What is your favourite thing to play with?

My meowmies! They rough me up and I bite them (not hard). And then I puuuurrrr! I love being brushed.

What kind of food do you like to eat?

Wet food, dry food, treats, chicken..oh well...I love it all!
