Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.  
*My humans keep doing this weird baffing thing where they use the water in the big cool thing they call a "tub". Clearly it is my job to teach them to baff themselves properly. I will clean Daddy's nose for him, though, as his tongue is too short.*

What is the funniest thing that has ever happened to you?

*I are a dignified princess and funny things are not for me. Meowmy says the time we were playing "bed" and I had to teach my tail a lesson by catching it was funny but I don't know why Meowmy thinks that. I caught my tail, didn't I?*

Please share your adoption story

*I was out on the streets with my kittens when I was found. They brought me to a warm and safe place and found places for my kittens. One day Meowmy and Daddy were looking for a new friend because they had had to say goodbye to another friend they had had for a long time. Meowmy was still sad, and when I saw her I meowed until they let me out of the cage to give her a hug. The next day Daddy brought me home and I have been there ever since.*

What is your favourite thing to play with?

*My Royal shoelace. It is a good shoelace and very springy.*

## Bitty Space Program

*"Where imagination meets ingenuity"*

---

What kind of food do you like to eat?

*Gooshy food! and tuna.*

Do you like going for car rides?

*Nooooooooooooo! Spaceships is ok, though. Less bad drivers.*

What is your favourite cartoon character?

*Princess Fiona from Shrek! She is a Princess and a Fiona just like me!*

If you drove a car, what make, model and colour would it be and why?

*A tuna delivery truck because tuna! But it should be s tuna truck worthy of a princess. Does Jaguar make tuna delivery trucks?*

Do you have a theme song? What is it?

*My Meowmy thinks it should be "My Fiona" sung to the tune of "My Bologna" but not "My Sharona" because something something Weird Al. I don't care so long as it is singing the praises of me.*

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

*I has no siblings, just some rude neighbor deer that are big and I don't like them when they comes by the house. The rabbits and birds are okay, though.*

What is the name of your human sponsor or sponsors?

*My Meowmy is Beth and Daddy is Ben. Does I need to give last names, too?*

What type of position are you applying for? What special skills do you think we could use for our program?

*I would like to be the ship Hygenie Officer. Baffs for all!*

What else do we need to know about you?

*I am a snuggler and like to curl up with Meowmy and sleep on her arm. Or sit on her lap when she is on the couch. Sometimes her chest, too, but she does not like my butt in her face and I don't know why.*

Signed:
