<input checked="" type="checkbox"/> Mice	<input type="checkbox"/> Climbing Curtains	<input checked="" type="checkbox"/> COOKIES
<input checked="" type="checkbox"/> Tripping humans		

Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.
I help Meowmy relax. Like when she's on her leather recliner reading a book or watching TV I get on her lap and then she won't get up to do chores because she doesn't want to disturb me.

What is the funniest thing that has ever happened to you?

I don't think it's funny, but Meowmy and her friends are always tickled by my expression when she put a "necklace" on me for Halloween, Christmas, or Canada Day. There should be a law.

Please share your adoption story

I was kicked out the house because I was pregnant. The nice rescue people found me living under a garbage dumpster and took me to a foster meowmy. After I had my three kittens (all were adopted to loving homes) my meowmy adopted me. And we lived happily ever after.

What is your favourite thing to play with?

Feather wand and purple mousie.

What kind of food do you like to eat?

Margarine. Especially when it's melted on toast. But I have to sneak a lick or two. Kibble is what Meowmy feeds me.

Bitty Space Program

"Where imagination meets ingenuity"

Do you like going for car rides?

Nooooooooo

What is your favourite cartoon character?

I don't like cartoons. I like to watch sports on TV: golf, tennis, and the Olympics.

If you drove a car, what make, model and colour would it be and why?

Anything luxurious. But it has to be blue, to match my eyes.

Do you have a theme song? What is it?

Just the song of my people.

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

I have no siblings. But I have a BFF. She's a meezer. Her name is Bernadette, but she's not applying to the Bitty Space Program. She's afraid of heights.. She lives two houses away. We have sleepovers.

What is the name of your human sponsor or sponsors?

Nancy Lovell

What type of position are you applying for? What special skills do you think we could use for our program?

I would like a position in Intergalactic Communication. Meowmy says I speak Alien. (video upload available!) I can also run up and down stairs very fast and Dr Nick (the NICE vet) says my weight hasn't budged in 5 years, so maybe I could be a Personal Trainer or Fitness Supervisor!

What else do we need to know about you?

I eat only catnip that Meowmy imports from Paradise, Nova Scotia. It is heavenly.

Signed:
