I help Meowmy keep Sheldon in line. He is an annoying little brother and she takes his side every time! "He is just a baby, leave him alone Lucy"... Little does she know that when she isn't looking, I boop him on the head!

What is the funniest thing that has ever happened to you?
One day Meowmy was packing to go on a holiday and I discovered her open suitcase. I hopped inside and the lid closed on top of me. Even when I heard Meowmy calling, I just ignored her and pretended I was asleep so she would take me with her. She didn't take me with her :(

Please share your adoption story
Me and my brother Harry were Meowmy's first cats in her new home. She waited till just the right pair came along and it was love at first sight because Harry and I were just so adorable. We miss Harry very much.

What is your favourite thing to play with?
I love stock toys! Every night I find my stash around the house and drag them into Meowmy, calling her all the way to tell her I am bringing her a present.

What kind of food do you like to eat?
I like to eat anything really. I am not fussy like my brother Sheldon.

Do you like going for car rides?
Not really. Luckily we don't go on many.

What is your favourite cartoon character?
Elsa

If you drove a car, what make, model and colour would it be and why?
Anything fast to get away from Sheldon. Perhaps a Ferrari? Red of course. Because they go faster.

Do you have a theme song? What is it?
I knew you were trouble by Taylor swift. Because that's what I say about Sheldon. I knew he was trouble when he walked in!

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.
Harry is my sibling but after he passed away Meowmy got me a new little brother called Sheldon.

What is the name of your human sponsor or sponsors?
Jenna Fishburb

What type of position are you applying for? What special skills do you think we could use for our program?
I am really good at catching catnip bubbles. I am applying for the official position of Cosmic Catnip Bubble Catcher.

What else do we need to know about you?
I think you know everything there is to know about me.

Signed: *Lucy* ♡
