Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.
Lets see, I'm very old (will be 15 in September). I love to help Meowmy make the bed by pulling the sheets from one end of the bed to the other so the bed gets made faster. If something is on the dresser, I knock it off so the dresser is nice and clean. I help Meowmy put the laundry away by taking her bras and running around the house with them to find a spot to store them. LOL

What is the funniest thing that has ever happened to you?

Hm, My sister Vendetta pounced on me while I was sleeping. She scared me so bad I jumped 5 feet in the air and landed on top of the dresser from the bed. LOL

Please share your adoption story

Long story short. My Grand-Meowmy's friend had an adult cat that gave birth to kittens in the street. My furry Meowmy got hit by a car while giving birth to me. She died and so did the rest of my siblings. But I survived. But my Grand-Meowmy's friend was in a wheelchair and couldn't take care of me. Grand-Meowmy asked Sabrina my current Meowmy to take me in. I've been living with her since I was 4 days old :)

What is your favourite thing to play with?

Oh I have this stuffed mouse that used to have catnip in it. Well, I've licked that thing to death but I love the mouse so much I use it as a pillow.

What kind of food do you like to eat?

Cat Chow for gentle stomachs. Friskies all flavors. and Temptations. I LOVE COOKIES!!!!

Do you like going for car rides?

Absolutely NOT

What is your favourite cartoon character?

Micky Mouse

If you drove a car, what make, model and colour would it be and why?

I'm blind, so I'll never drive.

Do you have a theme song? What is it?

Alive and Kicking

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

Vendetta is my little adopted black panther sister. She likes to beat me up. Me being a gentle soul, I would never hit a girl, but she jumps me whenever she gets the chance. She's a spit-fire. Yes, she'll be submitting her application.

What is the name of your human sponsor or sponsors?

Sabrina Aliano

What type of position are you applying for? What special skills do you think we could use for our program?

Whatever position you wish to put me in. I don't see to well but I have excellent hearing.

What else do we need to know about you?

Well, I'm a tall, skinny tuxie with a heart of gold. I have an excellent personality being a laid back dude.
