Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.  
*I'm there everything they are doing. Without me it will be a catastrophe... I'm good with wires, little pieces, strings... I know it all!!!*

What is the funniest thing that has ever happened to you?

*Funny?? Are you kidding? I'm very serious. How else could I run this family of coocoos??*

Please share your adoption story

*My mom had a love story with a guy from the streets because her owners didn't spay her on time. So, one day she jumped the window and came back with 5 kitties in her belly. My human meowmy found me on youtube, with an advert for adoption. So... here I am.*

What is your favourite thing to play with?

*Wires, strings*

What kind of food do you like to eat?

*Both kind: wet and dry. And sometime meowmy shares a little of her yoghurt with me*

## Bitty Space Program

*"Where imagination meets ingenuity"*

---

Do you like going for car rides?

*Not particularly but if I have to we must sing along :)*

What is your favourite cartoon character?

*Little fishy on my mom's phone*

If you drove a car, what make, model and colour would it be and why?

*Model "I dont care" from 2015... definitely grey*

Do you have a theme song? What is it?

*Fly me to the moon*

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

*Only a human brother. He has a future career of his own.*

What is the name of your human sponsor or sponsors?

*Simona Mocioi*

What type of position are you applying for? What special skills do you think we could use for our program?

*Science officer. For the science of jumping. Need jumping suit. And a door to jump on.*

What else do we need to know about you?
