Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.

*My mom works out 5 days a week, without me using her body as a tunnel she may would never have the correct form, I've also perfected mom's balancing abilities by making sure I am right up in her business during EVERY workout! I'm also an amazing weed wacker! I make sure our weeds are always at an acceptable height!*

What is the funniest thing that has ever happened to you?

*I chased a squirrel up a tree and got stuck for 5 hours. I was screaming the song of my people to call 911! My Daddy came outside after Mommy went and got him and he just laughed at me and coaxed me down with a can of Tuna. My Daddy is 911 (Captain with the Fire Department) so at least Mommy understood my song!*

Please share your adoption story

*I watched Mommy and Daddy for months before deciding they would be my perfect forever family. You see, I've never told Mommy what really happened. They assume I used to have a family that lived next door to them but left me when they moved away. When Mommy and Daddy moved in, nobody had lived in my old house next door to Mommy and Daddy's for years but, I was always there and windows were left open so I could get in and out of the house by my old family. One day, my old family showed up for some furniture they left, I tried to rub up against their legs and was singing the song of my*

*people to them begging for their attentions but they pretended like they didn't know me. Mommy and Daddy knew they had to have been my old parents because I am a very shy and scared cat and I don't approach anybody I don't know.*

What is your favourite thing to play with?

*Mousies, feather interactive toy, cat tree, spiders, bugs, catnip fish, spring, scratcher lounge*

What kind of food do you like to eat?

*Blue Buffalo Wilderness Duck flavor and I occasionally get Blue Buffalo Turkey and Chicken smooshy food*

Do you like going for car rides?

*Absolutely not!*

What is your favourite cartoon character?

*Sylvester and Tweety, I'm very clever and like to torment my dumb dog of a brother who HATES me!*

If you drove a car, what make, model and colour would it be and why?

*I like to go very fast so an Orange Harley Davidson would be my preferred ride! Petal to the Metal!! Plus I'm a Calico so it would match me!*

Do you have a theme song? What is it?

*Danger Zone- Kenny Loggins*

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

*I have one sibling, he's a dumb dog (Pure Bred German Shepherd) named Trigger. I love to torment him and tease him but he hates me so Mommy keeps us separated at all times. It doesn't stop me from putting my paw under the door and grabbing his tail.*

What is the name of your human sponsor or sponsors?

*Ashley and Doni - Mommy and Daddy*

What type of position are you applying for? What special skills do you think we could use for our program?

*I'm excellent at rodent and weed control. You don't want any pesky gophers aboard the Bitty Space Rocket and having weeds near the launch site could be detrimental to any potential launch. Fire is bad, my excellent chomping abilities could be a huge benefit to a successful launch*

*I'm also a great Guardian and Protector. Nobody comes near my house without me knowing, that could be great for the program because we don't want just anybody walking on to the rocket!*

What else do we need to know about you?

*Mommy calls me Snarky Girl sometimes because I am very opinionated about when I want to be touched and when I want to be played with. Visit me during the right times and I can be your best friend. I'm also very protective of my Mommy and mousies, mostly mousies, because they are MINE! I think I would be a great asset to The Bitty Space Crew because I am adorable firstly, and I have lots of talents!*
