Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.

I reach up for the canned car food....not begging.....merely helping

What is the funniest thing that has ever happened to you?

When I fly through the air chasing bugs. I am like a flying squirrel and I even make squirrel noises as I am chasing bugs. It drives my human crazy because I use the living room and the bedroom as an adventure playground.

Please share your adoption story

I was on Craigslist for free with my sister Darla. My human took both of us. YIPPEE!!

What is your favourite thing to play with?

My blue and green mouse and anything with catnip. I have a GREAT imagination and I love to play. Darla sometimes lets me play in her cat size nylon tent that Santa brought her.

What kind of food do you like to eat?

I will always eat crunches but I am on my best behavior if my human opens a tin of cat food. I sing for my supper and I like to prance and dance. Showing off pays off.

Do you like going for car rides?

I do okay when my fur sister Darla is with me. We went to the V E T to get fixed.

What is your favourite cartoon character?

Mighty Mouse

If you drove a car, what make, model and colour would it be and why?

Something small and petite like me.

Do you have a theme song? What is it?

Eye of the Tiger. My sister makes me not so shy. I can jump really far and I fly through the air like Superkitty.

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

Darla is my sister. She is bold and she is teaching me the ways of the world.. She has also applied for the Bitty Space Program.

What is the name of your human sponsor or sponsors?

Val Morris

What type of position are you applying for? What special skills do you think we could use for our program?

I would love to be a pilot. I have great Superkitty skills.

What else do we need to know about you?

I can be silly at times. Like laying on the computer chair or balancing on top of it. I can be a real cuddle bug too.
