Please provide an example of one way you 'help' your human accomplish a task better than they could do it by themselves.

*I help my human clean out my litter tray EVERYDAY by scooping my poop out of the tray and onto the floor AFTER I have pooped, so that it's easier for her to pick up (NOT!). This way my tray stays SUPER CLEAN all the time and the human's life is much more easier.*

What is the funniest thing that has ever happened to you?

*My human bought me a new lazer light toy that goes round and round and round and round and round. I chased it so many times in circles that I couldn't walk straight and kept falling over! My humans thought this was hilarious, especially when I was SUPER thirsty from all the chasing and tried to drink water and ended up face planting cos I was so super duper dizzy!*

Please share your adoption story

*I was left with my siblings in a bush by a naughty human when I was 4 weeks old. Lucky for me a nice human found us all and my brothers and sisters were brought to a nice warm home where we all got to pick a human to control. I picked my human because she let me climb up her legs onto her shoulders to be the princess of all the land.*

What is your favourite thing to play with?

*MY LAZER LIGHT TOY! I could go round and round and round and round all day and night (until human turns it off because I have floofy feet and get no traction and slide everywhere)*

What kind of food do you like to eat?

*Chicken!Ooo oo tuna!Ham!Vegemite!*

Do you like going for car rides?

*Oh no, but my human makes me feel safe so I don't piddle anymore*

What is your favourite cartoon character?

*Scooby Doo, because dogs are super silly and I chirp at them all the time*

If you drove a car, what make, model and colour would it be and why?

*Volkswagon Beetle car thingy! In BRIGHT RED! Red is fast, and I love love love bugs*

Do you have a theme song? What is it?

*My human made one up for me, which is super embarrassing when she signs it in front of other humans. I goes like this (kind of):Loony, Loony, you're a bit Loony.Balloony Balloony, you're a bit Loony.Princess Princess PRINCESS LUNARun fast, fall fast, sleep long, Loony Baloony!!!*

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

*I have 2 awesome sibling kitties.There is Princess Charlie who is my big sister who is 3 who I love to play with and jump on top of and scare her all time time, and then there is Old Man Mooch who is super dooper old (like 84 years old! 17 in human years). He sleeps all day and doesn't play anymore but if you want a good sleepytime snuggle, Mooch is the BESTEST EVER. Sometimes he bops me on the head.*

What is the name of your human sponsor or sponsors?

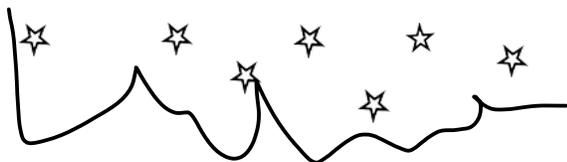

*Georgia Anderson*

What type of position are you applying for? What special skills do you think we could use for our program?

*I am very sneak. I can be super quiet and then POUNCE. Without anyone knowing I am there. I think I would be good. I think I could be a great distractor of humans to ensure that ALL flight training, researching etc goes ahead as planned without interruption or getting caught!*

What else do we need to know about you?

*I have big feet!*

Signed: \_\_\_\_\_
