What is the funniest thing that has ever happened to you?

*When I first got my forever home I was really really little, even though I was 7:5 weeks old. My new Meowmy had a pair of kitty slippers that looked like a Siamese so she put it in my bed box. I would suckle on the slipper like it was my cat mom.*

Please share your adoption story

*My cat mom belonged to a friend of my Meowmy. When I was old enough my Meowmy came to get me. However, she didn't know which kitten she was going to get, there was 3 of us. When Meowmy came in the door I ran to her, all the other kittens ran away. So I was the lucky one that got a forever home that day.*

What is your favourite thing to play with?

*I don't play too much. But I do like the catnip kicker Meowmy got from Tiny Kittens.*

*No but I love it when Meowmy sings to me*

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

*I have 3. They are Maggie Mae, we have a good relationship. Then there is Snowball whom I get along with with too. And then we have Spooky, I don't like him. He will jump on me and try to bite me if I don't get away fast enough.*
