*Catching flies*

What is the funniest thing that has ever happened to you?

*To me the funniest thing to happen to me was I had 3 grey spots on top of my head when I was little and they just disappeared one day. Now I'm solid white.*

Please share your adoption story

*The beginning of my story is kinda sad. My humans had lost their Tippy to cancer and was really sad. Especially my dad. Well someone he knew at work had me but she had a dog and she was afraid that it would hurt me. So she asked dad if he would like to take me home. So happy ending: I got a wonderful forever home and dad got a new kitten (me).*

What is your favourite thing to play with?

*My catnip carrot*

What is your favourite cartoon character?

*Don't have one*

If you drove a car, what make, model and colour would it be and why?

*Mazarrati. Don't know if I spelt it right. But a nice shiny black would be good. I would show up so well in it*

Do you have a theme song? What is it?

*Let it snow*

How many siblings do you have and what are they (i.e., other awesome kitties, dumb dogs, ugly snakes, etc.) What is your relationship like with them? If they are also applying to the Bitty Space Program, please include their name.

*3 Mittens is my older sister. We get along good. We like to touch noses. Maggie Mae is my younger sister. We chase each other a lot. I will hiss at her. And then there is older brother Spooky. We snuggle sometimes*

What is the name of your human sponsor or sponsors?

*Charlie*

What type of position are you applying for? What special skills do you think we could use for our program?

*I like to snuggle my dad so maybe I could be in the snuggler dept. or I'm really good at hissing at Maggie so maybe a position in the hissing dept*

What else do we need to know about you?

*I let Meowmaw and dad know exactly when it's time for supper*
