I really good at helping human tell time when she forget i.e. breakfast time, elevensies time, lunch time, tea time, dinner time, supper time, snack time. Also counting e.g. when human try to cut down no. of cookies. I really want be Mission Control kitty who does countdown to take-off - pleez, pleez, pleez Cmdr Timbit can I?

What is the funniest thing that has ever happened to you?

Hmmm. I not think it funny at all but human laugh a lot when I accidentally roll off bed, sofa, chair, etc.

Please share your adoption story

Now-human give me new home when ex-human marry man-human who sneeze too much & cry whenever I near (though he like me a lot). Ex-human very sad and say she have to take me to special Battersea Dumb-Doggies' & Kitties' Home, but now-human say no, Zee can live with me! (she know it v. difficult for black kitties to get new homes esp. when they not so tiny any more and are a bit grumpy lol) (tho I not so grumpy these days and grant human good snuggles).

What is your favourite thing to play with?

Piece of string with knot in. My tastes simple. And Mr Cow - dopey stuffed thing I have since I little.
